Key Service Points

- 01** Customs clearance, destination taxes and taxes are all included - *excludes Singapore
- 02** Consolidated delivery - many cases are gathered together from wine sellers throughout New Zealand
- 03** Online delivery status www.nzwinehome.co.nz
- 04** Express courier - after clearance in destination country (Track and Trace available)
- 05** Robust packaging

- 06** Insurance or wine replacement - in the unlikely event of a mishap
- 07** Peace of mind - we have 8+ years experience in delivering personal wine consignments to international destinations
- 08** Future orders - simply contact your favourite winery or wine seller by email/website
- 09** Volume discounts - apply when shipping to Australia, Japan and USA only

| Cases per customer | Volume discounts |
|-------------------------------|------------------------|
| 1-2 | standard price |
| 3-5 | \$10 discount per case |
| Over 5 | \$20 discount per case |
| Larger volumes by negotiation | |

The relative weakness of the NZ dollar helps absorb much of the cost of delivery. To calculate the delivered cost of wine in your own currency;

$$\text{Total Wine Cost} + \text{Delivery Fee} \times \text{Exchange Rate} = \text{Total Case Cost}$$

$$\text{Total Case Cost} \div \text{No. Bottles} = \text{Per Bottle Delivered Cost in your Currency}$$

| Destination | 8 Bottles | 12 Bottles | 15 Bottles | Surcharge | Delivery Time Frames |
|---|-----------|------------|------------|---|--|
| AUSTRALIA | \$110 | \$140 | \$155 | \$45/Case for Tasmania | Airfreight Dec-Mar 1-4 weeks Airfreight Apr-Nov 1-6 weeks |
