

PURIRI HILLS

WINE OF NEW ZEALAND

ESTABLISHED IN 1996 PURIRI HILLS IS A FAMILY OWNED VINEYARD IN CLEVEDON, PRODUCING ESTATE GROWN AND BOTTLED WINES ORIGINALLY INSPIRED BY THE GREAT BORDEAUX BLENDS OF ST EMILION AND POMEROL

2018 ESTATE

Our Estate is often the first wine from Puriri Hills that people taste as it is a favourite of many fine dining restaurants. Often more approachable and ready to drink a bit younger. It is very expressive of the vintage year by year.

ORIGIN

We grow the classic varieties of Merlot, Cabernet Franc, Carmenère, (a lost Bordeaux variety) Cabernet Sauvignon and Malbec in our vineyard at Clevedon overlooking the Hauraki Gulf in Southeast Auckland. They are blended to create an outstandingly complex and elegant wine.

VINTAGE

2018 was an ideal vintage with generous fruit and excellent conditions. We had rain though flowering and again during picking in April to challenge us. The canopy and fruit are manicured by hand throughout the season. We are dry land farmers and embrace the practices of natural farming, managing our vineyard with organic or biodynamic soil additions and manual canopy and understory work.

We handpicked parcels at the peak of ripeness between 11-26 April. Total production for the vintage was 9.4 tonnes from 5.5 acres of vines. Yields were approximately 1kg per vine producing 33 hectolitres per hectare. Vine spacing is 1 x 2.5 metres. Vine age is 17 to 21 years

WINEMAKING

In the winery, bunches were 100% destemmed and 80% crushed into oak cuves or stainless steel open-top fermenters. Ferments were cold soaked briefly to allow wild yeast development, then inoculated with oenological yeasts. Total time on skins ranged from 1-3 weeks depending on the varietal, fruit condition and the character desired. Free run wines were put to barrel and marc was lightly basket pressed. All wine was barrel-aged in French oak for ca. 21 months before final blending. The wine was lightly filtered and bottled under cork on the estate.
